

**We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams**

## A call for speakers and the how and why it makes a difference.

When we **SEE**  a speaker, we **SEE** recovery and know it's possible.

When we hear  a speaker we **HEAR** their personal story of **HOW** they recovered.

Every story is different because we are human  and we all have different stories of how we recover.

A speaker offers a service to the Region 3 area by offering the promises within the OA Promise.

- By giving service to be a speaker you are accomplishing the OA promise by ***"I put my hand in yours"***.
- By giving service to be a speaker you are accomplishing the OA promise by demonstrating ***"together we can do what we could never do alone"***
- By giving service to be a speaker you are accomplishing the OA promise by demonstrating ***"No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower."***
- By giving service to be a speaker you are accomplishing the OA promise by demonstrating ***" We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams."***

- **The OA Promise**

I put my hand in yours, and together we can do what we could never do alone. No longer is there a sense of hopelessness, no longer must we each depend upon our own unsteady willpower. We are all together now, reaching out our hands for power and strength greater than ours, and as we join hands, we find love and understanding beyond our wildest dreams."
